CANDI BAR
FLEXIBLE MOUNT OPTIONS

The Candi Blox has been designed to offer a variety of mounting options. Here you see, as a 6 way option (Candi Bar) on a 2m stand-alone pole.

As well as a dynamic array of 45 LED's, the overall height give you a greater visual and light projection experience.

This option is adequately suited for stage, TV, bars, clubs and the mobile DJ.

Product Code: CANDIBAR

Compatible With : XDRIVE 4 LITE, XDRIVE 4 PRO
